

CALL FOR PAPERS

ICNNPN 2021
Sep 20-21, 2021
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNNPN 2021 : International Conference on Nutrigenetics, Nutrigenomics and Precision Nutrition is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutrigenetics, Nutrigenomics and Precision Nutrition. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nutrigenomics

Application of nutrigenomics
Nutrition and food security
Global status of nutrigenomics research
Nutrigenomics and diet supplementation
Nutrigenomics and chronic diseases
Obesity, diabetes, cancer, cardiovascular diseases

Metabolic syndrome and alzheimer
Impact of nutrigenomics on biomarkers of health and disease
Personalized medicine and nutrition
Nutrients and epigenetics
Systems biology and nutrigenomics
Functional foods
