

# CALL FOR PAPERS

**ICVPMPC 2021**  
**Sep 20-21, 2021**  
**Toronto, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVPMPC 2021 : International Conference on Veterinary Pain Management and Pain Control is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Veterinary Pain Management and Pain Control. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Veterinary pain management  
Role of veterinary medicine in pain control  
Ethics of animal treatment  
Animal well-being  
Stress and pain in animals  
Physiology and pathophysiology of pain

Pharmacokinetics, pharmacodynamics and drug administration  
Local and regional anesthetic techniques  
Physical therapy and rehabilitation  
Acute and chronic pain management  
Rehabilitation methods
