

CALL FOR PAPERS

ICPEHSS 2021
Sep 23-24, 2021
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPEHSS 2021 : International Conference on Psychological, Educational, Health and Social Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Psychological, Educational, Health and Social Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
