

CALL FOR PAPERS

ICCSS 2021
Oct 21-22, 2021
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSS 2021 : International Conference on Clothing Sizes and Standardization is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clothing Sizes and Standardization. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Clothing sizes
- History of standard clothing sizes
- Sizing systems and ready-to-wear
- Sizing standardization
- Fit models and target markets
- Pattern grading and specification
- Mass customization and sizing

- Sizing and clothing aesthetics
- Sizing for the home sewing industry
- Production systems, garment specifications and sizing
- International standards
- Sizes in women's clothing
- Sizes in men's clothing
- Sizes in children's clothing
