

CALL FOR PAPERS

ICRMGDM 2021
Oct 21-22, 2021
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRMGDM 2021 : International Conference on Ready-Made Garments, Design and Manufacturing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Ready-Made Garments, Design and Manufacturing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Ready-made garments
The ready-made garments industry
Readymade garments manufacturing process
Design of ready-made garments
Packaging and transport
Risk factors and loss prevention

Market potential
Environmental sustainability
Social impact of the ready-made garments sector
Gender issues in the ready-made garments industry
Men's and children's clothing
Women's clothing
