

# CALL FOR PAPERS

**ICMPC 2021**  
**Oct 28-29, 2021**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMPC 2021 : International Conference on Military and Political Change is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Military and Political Change. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Military technology  
Operational art and tactics  
Capabilities e.g. defence inventory and acquisition and manpower  
Military medical sciences, e.g. in military specific injuries  
Military strategy and international politics  
Military pedagogy and behavioral sciences  
Military social sciences, like human factors  
Military leadership  
Military history

Operational analysis  
Crisis and risk management  
Strategic studies  
Defence analysis  
Military Transformation  
Conventional Deterrence  
Military Revolutions  
Revolutions in Military Affairs  
Military Revolution and Political Change
