

CALL FOR PAPERS

ICAPTBS 2021
Nov 29-30, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPTBS 2021 : International Conference on Advanced Products and Technologies for Building Skins is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Products and Technologies for Building Skins. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Building performance analysis
Building performance simulation and modeling
Building information models in energy analysis
Building fire performance analysis
Building energy performance analysis and sustainability
Building information model technology

Early design modeling and analysis
Multiple systems modeling
Health, wellness and comfort
Energy performance and system simulation
Codes, standards and compliance modeling
