

CALL FOR PAPERS

ICETCT 2021
Nov 08-09, 2021
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICETCT 2021 : International Conference on Electronics, Telecommunications and Computer Technologies is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electronics, Telecommunications and Computer Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Communication, Networking and
Broadcasting
Internet
Security
Standards
Wireless Systems
Antennas and Propagation
Signal Processing
Information Theory
Physical Layer Transmission
Technologies
Data Coding and Compression
Microwave Circuits and Systems
Computing and Processing

Hardware
Software
Embedded systems
Information Technology
Networks
Heterogeneous computing
High Performance Computing
Cloud Computing
Distributed Systems
Multimedia Systems and
Applications
Image and Video Retrieval
Mobile Computing
