

# CALL FOR PAPERS

**ICFBC 2021**  
**Nov 11-12, 2021**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFBC 2021 : International Conference on Forestry, Biodiversity and Conservation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forestry, Biodiversity and Conservation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Forest biodiversity  
Biodiversity conservation  
Biodiversity management  
Forest biodiversity and  
conservation  
Forest ecology and ecosystem  
services

Forests and forest products  
Sustainable forest management  
Restoration ecology  
Non-timber forest products
