

# CALL FOR PAPERS

**ICCCIS 2021**  
**Dec 02-03, 2021**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCCIS 2021 : International Conference on Communication, Computer and Information Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Communication, Computer and Information Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Algorithms  
Artificial Intelligence  
Automated Software Engineering  
Bio-informatics  
Bioinformatics and Scientific  
Computing  
Biomedical Engineering  
Circuits and Systems  
Communication Systems  
Compilers and Interpreters  
Computational Intelligence  
Computer Animation  
Computer Architecture and VLSI  
Computer Architecture and Embedded  
Systems

Computer Based Education  
Computer Games  
Computer Graphics and Virtual  
Reality  
Computer Graphics and Multimedia  
Computer Modeling  
Computer Networks  
Computer Networks and Data  
Communication  
Computer Security  
Computer Simulation  
Computer Vision  
Computer-aided  
Design/Manufacturing  
Computing Ethics  
Computing Practices and  
Applications
