

CALL FOR PAPERS

ICCHD 2021
Dec 01-02, 2021
Auckland, New Zealand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCHD 2021 : International Conference on Cancer Health Disparities is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cancer Health Disparities. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cancer health disparities
Health disparities
Health equity and social justice
Cancer control continuum
Geographic disparities

Multilevel studies
Social determinants of health
Intersectionality
Interventions to reduce
disparities
Community-based research
