

CALL FOR PAPERS

ICATP 2021
Dec 16-17, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICATP 2021 : International Conference on Active Transportation Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Active Transportation Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Active transportation
Active transportation in urban areas
Active transportation planning
Active transportation and physical activity

Active transportation and environment
The health benefits of active transportation
Safety in active transportation
Active transportation policy issues
