

CALL FOR PAPERS

ICFNN 2021
Dec 16-17, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFNN 2021 : International Conference on Food Nanotechnology and Nutrition is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Nanotechnology and Nutrition. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advances in Sensory Science
Applied Research Related to Food
Nanotechnology
Biophysical Analysis of Food or
Processing Operations
Cellular and Molecular Nutrition
Chemistry, Microbiology and
Biotechnology Aspects of Food
Child and Infant Nutrition
Clinical Nutrition and Metabolism
Companion Animal Nutrition
Diet Selection and Supplements
Emerging Safety and Toxicological
Issues
Emerging Technologies
Environmental, Safety and
Sustainability Aspects of
Processing
Food and Material Engineering

Food and Nutrition Policy
Food Chemistry
Food Engineering and Physical
Properties
Food Microbiology
Food Nanotechnology
Food Quality and Safety
Food Safety and Hygiene
Food Science
Food Science and Human Nutrition
Food Science and Technology
Genomics, Proteomics and
Metabolomics
Human Nutrition
Macronutrient Metabolism
