

CALL FOR PAPERS

ICAPE 2021
Dec 06-07, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPE 2021 : International Conference on Academic and Professional Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Academic and Professional Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Academic education and training
Postgraduate academic education
Undergraduate academic education
Social, emotional, ethical academic education
Academic education and pedagogy
Recent discussions about academic education
Academic education in the world
Advantages and disadvantages of academic education

Computers in academic pedagogy
Technical academic education
Types of academic pedagogy
Academic pedagogy and its effect on country's economy
Digitalisation and its effect on academic education
Teacher's role in academic education
Employability and academic education
Reform of academic education
