

CALL FOR PAPERS

ICEMC 2021
Dec 06-07, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEMC 2021 : International Conference on Electronic Materials Chemistry is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electronic Materials Chemistry. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Chemistry for Electronic Materials
Semiconductor Compounds
Metallic Films

Superconductor Materials
Insulating Materials
