

CALL FOR PAPERS

ICWET 2021
Dec 06-07, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWET 2021 : International Conference on Welfare Economics and Theorems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Welfare Economics and Theorems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Welfare economics
Modern welfare economics
Economic welfare
Social welfare measurement
Social welfare maximization

Welfare economics and public
choice
Welfare theorems
The new welfare economics
Economics of happiness
Equity theory
