

CALL FOR PAPERS

ICNER 2021
Dec 02-03, 2021
Sydney, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNER 2021 : International Conference on Nascent Entrepreneurship Research is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nascent Entrepreneurship Research. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nascent entrepreneurship

Nascent entrepreneurship: empirical studies and developments

Developments in the study of nascent entrepreneurs

Learning strategies of nascent entrepreneurs

Dynamics of nascent entrepreneurship

Experience, intentions, and entrepreneurial success

Technology-based nascent entrepreneurship

Nascent entrepreneurship and the entrepreneurial process

Human capital and nascent entrepreneurship

Cross-national cultural values and nascent entrepreneurship

Social entrepreneurship motivation
