

CALL FOR PAPERS

ICWCIT 2021
Dec 02-03, 2021
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWCIT 2021 : International Conference on Whole Class Interactive Teaching is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Whole Class Interactive Teaching. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Whole-class teaching
Teaching and learning in whole
class discourse
Planning for whole-class teaching
Whole-class strategies

Whole class discussions
Communication and student
achievement
Whole-class interactive teaching in
mathematics
Group work in whole-class
teaching
