

CALL FOR PAPERS

ICNFF 2022
Jan 28-29, 2022
Sydney, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNFF 2022 : International Conference on Nutraceuticals and Functional Foods is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutraceuticals and Functional Foods. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Asian functional foods
Traditional Chinese medicine and natural health products
Quality assurance and acceptability of functional food ingredients, nutraceuticals and dietary supplements
Algal products
Nutraceuticals and functional beverages
Pre and probiotics
Fermented foods
