

CALL FOR PAPERS

ICNHMS 2022
Jan 07-08, 2022
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNHMS 2022 : International Conference on Natural and Herbal Medicine for Sports is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Natural and Herbal Medicine for Sports. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Natural and herbal medicine for sports
Sports herbal supplements
Alternative sports nutrition and supplements
Herbs in exercise and sports
Dietary supplements and sports performance

Natural remedies for sports injuries
Holistic sports medicine and endocrinology
Vitamins, mineral, diet, and sports supplements
Natural antiinflammatory agents for pain relief in athletes
Alternative pain management medicine for athletes
