

CALL FOR PAPERS

ICOHSAER 2022
Jan 14-15, 2022
Zurich, Switzerland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICOHSAER 2022 : International Conference on Occupational Health and Safety in Agriculture and Ergonomics Reviews is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Occupational Health and Safety in Agriculture and Ergonomics Reviews. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sustainable agriculture
Occupational health and safety
Prevention
Postural assessment
Assessment method
Musculoskeletal disorders

Occupational diseases
Agricultural ergonomics
Heat stress
Mental load
Ergonomics reviews
Other agricultural topics
(occupational health and safety)
