

CALL FOR PAPERS

ICCJFS 2022
Jan 14-15, 2022
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCJFS 2022 : International Conference on Criminal Justice and Forensic Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Criminal Justice and Forensic Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world.
