

CALL FOR PAPERS

ICMESS 2022
Jan 14-15, 2022
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMESS 2022 : International Conference on Multisport Events and Social Sustainability is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Multisport Events and Social Sustainability. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Multisport events
Global multi-sports events
Multisport events and social sustainability
Multi-sport events and long-term tourism impacts
Olympic games
Paralympic games
Special Olympics

International multi-sport competitions
Worldwide events
Regional events
National events
Disability
Injury surveillance in multi-sport events
The economic impact of multi-sport events
