

# CALL FOR PAPERS

**ICGSGA 2022**  
**Jan 25-26, 2022**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGSGA 2022 : International Conference on Global Systems, Globalization and Anthropology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Global Systems, Globalization and Anthropology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Anthropology of globalisation  
Social and cultural dynamics of globalization  
Forms of global interconnection  
Methodological and theoretical issues in the anthropological study of globalization  
Specific global systems  
Anthropological and sociological theory and ethnographic studies  
Globalisation's consequences for individual lives and identities  
Complex and shifting flows of people, ideas, images, capital and material  
Global systems of production and consumption

Citizenship and mobility  
Internet and other media  
Tourism economies and imaginaries  
Cross-cultural consumption of goods and practices  
Global phenomena  
Individual and collective identities  
Cultural homogenization and diversification  
Social and economic inequality  
Imaginaries and ideologies of commonality
