

CALL FOR PAPERS

ICRERSD 2022
Jan 18-19, 2022
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRERSD 2022 : International Conference on Renewable Energy and Recycling for Sustainable Development is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Renewable Energy and Recycling for Sustainable Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Renewable energy
Natural resources
Sustainable energy
Solar energy
Passive and active solar systems
Wind energy
Biomass
Geothermal energy

Hydrogen energy
Hydroelectric energy
Wave energy
Renewable energy in science
education
Recycling
Solid waste
Recycling in science education
