

CALL FOR PAPERS

ICOHST 2022
Jan 14-15, 2022
Zurich, Switzerland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICOHST 2022 : International Conference on Open Heart Surgery and Transplant is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Open Heart Surgery and Transplant. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Electrophysiology of heart
Epidemiology, etiology, and
genetics of heart
Cardiac biomarkers
Atrial fibrillation
Aortic pathologies
Ischemia
Cardiac cancer
