

CALL FOR PAPERS

ICEEOST 2022
Feb 15-16, 2022
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEOST 2022 : International Conference on Ecological, Environmental, Organic and Sustainable Textiles is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Ecological, Environmental, Organic and Sustainable Textiles. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Ecological and environmental
textiles
Sustainable textile production
Organic and ecological textiles
Sustainable textiles
Textile recycling and life cycle
analysis

Environmental improvement potential
of textiles
Organic textile standards
Sustainable technologies and
practices
Coloration and eco- friendly
bleaching
Bio-processing of textiles
