

CALL FOR PAPERS

ICCDD 2022
Mar 08-09, 2022
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCDD 2022 : International Conference on Cultural Diversity and Dynamics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cultural Diversity and Dynamics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cultural diversity
Process of sociocultural transformation
Cultural variability
Anthropological analysis
Opposition and support
Anthropological studies
Variety of human societies or cultures in a specific region
Quantification
Cultural heritage

Global monoculture
Homogenization of cultures
Cultural anthropology
Globalization
Causes, consequences and complexities of culture
Study of cultural variation among humans
Quality of diverse or different cultures
Socio-cultural drivers of critical anthropogenic processes
Resilience and robustness of socio-cultural systems
