

# CALL FOR PAPERS

**ICMPP 2022**  
**Mar 04-05, 2022**  
**Barcelona, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMPP 2022 : International Conference on Microfinance and Public Policy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Microfinance and Public Policy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Accounting and accountability  
tensions in microfinance  
organizations  
The role of microfinance in poverty  
alleviation and (dis)empowering  
women  
Issues in relation to management  
and governance in microfinance  
organizations  
Historical evaluations of the  
practice of microfinance

Insights into undertaking research  
and research engagement within  
microfinance organizations  
Policy and regulatory issues in  
microfinance initiatives  
The roles of the third sector in  
fostering entrepreneurship  
Multifaceted cultural  
understandings of microfinance,  
including indigenous perspectives
