

# CALL FOR PAPERS

**ICPPBH 2022**  
**Mar 25-26, 2022**  
**Madrid, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPBH 2022 : International Conference on Pediatric Psychiatry and Behavioral Health is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Pediatric Psychiatry and Behavioral Health. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Pediatric psychiatry  
Child and adolescent psychiatry  
Psychiatric disorders  
Pediatric health  
Stages of development  
Neonatology and perinatology

Pediatric intensive care  
Pediatric and neonatal psychiatry  
Pediatric neurology  
Pediatric psychiatric nursing  
Pediatric research  
Advance therapies
