

CALL FOR PAPERS

ICPASFSY 2022
Mar 25-26, 2022
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPASFSY 2022 : International Conference on Physical Activity and Socioenvironmental Factors in Students and Youth is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Physical Activity and Socioenvironmental Factors in Students and Youth. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Physical activity
Children and adolescents
Youth
School curriculum
Extracurricular activities

University
Vulnerable groups
Active commuting
Social factors
Environmental factors
