

CALL FOR PAPERS

ICLA 2022
Apr 08-09, 2022
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLA 2022 : International Conference on Linguistics and Anthropology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Linguistics and Anthropology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Anthropology and the human environment
History of Anthropological Linguistics
Researches about Anthropological Linguistics
Anthropology and fields of Anthropological Linguistics
Archaeology and sustainability
Anthropology
Ideas about race, culture and peoplehood

Evolution, ecology, and environment
Indigenous and minoritized groups
Food, health, and society
Identity, heritage, and globalization
Sex, gender, and sexuality
