

# CALL FOR PAPERS

**ICILN 2022**  
**Apr 22-23, 2022**  
**Boston, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICILN 2022 : International Conference on International Law and Norms is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of International Law and Norms. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

International law and politics  
International law  
Public international law  
Treaty law  
Law of sea  
International criminal law  
The laws of war  
International humanitarian law  
International human rights law

Refugee law  
Private international law  
Supranational law  
European Court of Human Rights  
International Criminal Court  
Geneva Conventions  
International Law Commission  
Centre for International Law (CIL)
