

CALL FOR PAPERS

ICMPR 2022
Apr 22-23, 2022
Boston, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMPR 2022 : International Conference on Maxillofacial Prosthetics and Reconstruction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Maxillofacial Prosthetics and Reconstruction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Maxillofacial prosthetics
Maxillofacial prosthodontics
Maxillofacial prosthetic
rehabilitation
Surgical reconstruction
Facial prosthetics
Implant care
Rehabilitation medicine
Tissue engineering

Regenerative medicine
Chemotherapy and radiation therapy
Digital technology
Functional outcomes
Nanotechnology and biomaterials
Psychosocial considerations
Supportive care
