

CALL FOR PAPERS

ICCLSMT 2022
Apr 05-06, 2022
Cancun, Mexico

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCLSMT 2022 : International Conference on Clinical Laboratory Science and Medical Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clinical Laboratory Science and Medical Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Anatomical Pathology	Flow Cytometry
Antibiotics in Laboratory Medicines	Forensic Pathology
Autoimmune Disorders	Histocompatibility complex
Blood Bank Transfusion	Laboratory Management
Clinical Applications of Molecular Biology	Laboratory Toxicology
Clinical Coagulation	Medical Microscopy
Clinical Hematology	Molecular Pathology
Clinical Microbiology	Oral and Maxillofacial Pathology
Clinical Pathology	Pancreatic Disorders
Cytogenetics	Pediatric Laboratory Medicine
Dermatopathology	Renal Pathology
Diagnostic Laboratory Medicine	Surgical Pathology
e-Pathology	Transfusion Medicine and Advances
