

# CALL FOR PAPERS

**ICEPEIA 2022**  
**Apr 29-30, 2022**  
**Jerusalem, Israel**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEPEIA 2022 : International Conference on Existential Psychotherapy, Existential Isolation and Anxiety is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Existential Psychotherapy, Existential Isolation and Anxiety. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Existential psychotherapy  
Psychological dysfunction  
The exploration of lived  
experience  
Attitudinal qualities in  
existential psychotherapy  
Descriptive questioning

Existential anxiety  
Death  
Freedom  
Existential isolation  
Meaninglessness
