

CALL FOR PAPERS

ICFITED 2022
Apr 29-30, 2022
Jerusalem, Israel

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFITED 2022 : International Conference on Film-Induced Tourism and Economic Development is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Film-Induced Tourism and Economic Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Film-induced tourism
Local cultures and global change
Film-induced tourism planning and development
Film-induced tourism for economic development

Demand management for film-induced tourism
Motivational factors to visit film-locations
Film-specific factors to film-induced tourism
