

CALL FOR PAPERS

ICEAPC 2022
Apr 08-09, 2022
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEAPC 2022 : International Conference on Exotic and Avian Pet Care is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Exotic and Avian Pet Care. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Avian health and disease
Nursing exotics and wildlife
Causes of avian mortality
Management of common diseases seen
in reptiles in general practice

Wildlife disease surveillance:
Current situation and potential
developments
Avian and exotic medicines:
Anesthesia and analgesia
Diagnostic challenges in avian and
exotics medicine
