

CALL FOR PAPERS

ICEUMI 2022
Apr 08-09, 2022
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEUMI 2022 : International Conference on Everyday Urbanism and Modern Infrastructures is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Everyday Urbanism and Modern Infrastructures. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Everyday urbanism
Urban planning and urban design studies
Influences of everyday urbanism
Concepts and principles of everyday urbanism
Philosophy of everyday urbanism
Time and space management and design

The politics of everyday life
Urban design and everyday city
Architecture design for everyday life
Urban research and architecture for people
Everyday spaces and vernacular architecture
