

CALL FOR PAPERS

ICUAH 2022
Apr 08-09, 2022
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUAH 2022 : International Conference on Umayyad Architecture and History is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Umayyad Architecture and History. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Umayyad architecture
Characteristics of Umayyad
architecture
Mosques in Umayyad architecture
Umayyad art, architecture and
culture

Umayyad architecture and Islam
City governments and historic and
cultural heritage conservation
Town planning, architecture and art
of Umayyad cities
