

CALL FOR PAPERS

ICSEP 2022
Apr 05-06, 2022
Cancun, Mexico

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSEP 2022 : International Conference on School and Educational Psychology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of School and Educational Psychology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

School psychology
Educational and child psychology
Changes in school demographics and cultural diversity
Early identification of learning, emotional, and social problems
Ecological and environmental aspects of behavior
Education of exceptional children
Ethical, training, and practice standards
Evidence-driven psychological assessment

Immigrant and indigenous populations
Intelligence and personality measures
Interdisciplinary collaboration for school psychology
Prevention strategies
Resiliency and wellness
Standardized tests
Theoretical and applied psychology in educational settings
