

CALL FOR PAPERS

ICME 2022
Apr 19-20, 2022
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICME 2022 : International Conference on Microfinance and Entrepreneurship is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Microfinance and Entrepreneurship. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Accounting and accountability
tensions in microfinance
organizations
The role of microfinance in poverty
alleviation and (dis)empowering
women
Issues in relation to management
and governance in microfinance
organizations
Historical evaluations of the
practice of microfinance

Insights into undertaking research
and research engagement within
microfinance organizations
Policy and regulatory issues in
microfinance initiatives
The roles of the third sector in
fostering entrepreneurship
Multifaceted cultural
understandings of microfinance,
including indigenous perspectives
