

CALL FOR PAPERS

ICVCS 2022
May 20-21, 2022
Berlin, Germany

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVCS 2022 : International Conference on Visual Culture Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Visual Culture Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Visual culture
Visual technology
Visual studies
Visual existence
The subjects, objects, media and environments of visual culture
World cinema and television
Contemporary art and photography
Cultural and media theory
Fashion, design and popular culture
Pushing, transforming and recalibrating the limits of art

Art, theory and practice
