

CALL FOR PAPERS

ICVAR 2022
May 03-04, 2022
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVAR 2022 : International Conference on Visual Anthropology and Representation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Visual Anthropology and Representation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Visual anthropology
Anthropological theory and visual practice
Politics and aesthetics of representation
Documentary and ethnographic film
Anthropology of art
Anthropological perspectives on art
Art and apt imagery
Art and visual communication
Actual making of visual artefacts
Anthropology video production

Critique, theory and representation
Ethnographic film and cinema studies
Anthropology and cultural politics
Ethnography through photography and sound
Experimental ethnographic filmmaking
