

CALL FOR PAPERS

ICHBRS 2022
May 20-21, 2022
Berlin, Germany

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHBRS 2022 : International Conference on Herbs, Botanical Remedies and Supplements is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Herbs, Botanical Remedies and Supplements. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Botanical medicines: challenges and regulations

Botanical drugs discovery and development

Using herbs and botanical remedies for home health

Quality control of botanical drugs

Advantages of botanical supplements over modern medicine

Herbal drugs and formulations

Anti inflammatory herbs

Herbs for anxiety

Smoking herbs

Fertility herbs

Adoptogenic herbs

Herbal hair products

Herbal vitamins

Herbal cigarettes

Healing herbs
