

CALL FOR PAPERS

ICSIC 2022
May 20-21, 2022
Berlin, Germany

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSIC 2022 : International Conference on Social Inequality and Culture is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social Inequality and Culture. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Social inequality	Inequality and social class
Economic inequality	Patterns of inequality
Unequal distribution of income or wealth	Gender inequality
Distribution of rights and privileges and social power	Racial and ethnic inequality
Access to public goods, education and judicial system	Age inequality
Racial inequality	Inequalities in health
Gender inequality	Global inequality
Ethnic inequality	Inequality and economic growth
Inequality and ideology
