

# CALL FOR PAPERS

**ICSPI 2022**  
**May 24-25, 2022**  
**Montreal, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSPI 2022 : International Conference on Social and Political Issues is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social and Political Issues. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Capital, Civil Society, and Social Transformation	Research, Technology, and Social Transformation
Communications and Culture Transformation	Social and Economic Transformation
Cultural Transformations and Globalization	Social Movements and Cultural Transformation
Democracy, Civic Participation, and the Society	Social Sustainability, Environmental and Social Issues
