

CALL FOR PAPERS

ICANMH 2022
May 03-04, 2022
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICANMH 2022 : International Conference on Adolescent Nursing and Mental Health is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Adolescent Nursing and Mental Health. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Adolescent nursing
Adolescent transition care
Adolescent health and nursing
Adolescence and adolescent health
Core competencies for adolescent health and development
Transition planning
Ethical decisions
Evidence-based approach

Health needs of adolescents
Integration of public health and primary care practices
Adolescent and young adult health
Physical, cognitive and psychosocial development
Adolescent social and health issues
The role of the nurse as a provider of primary health care to adolescents
Effects and implications for adolescents, families, peers, and school
Healthy and ill adolescents
