

# CALL FOR PAPERS

**ICDDS 2022**  
**May 03-04, 2022**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDDS 2022 : International Conference on Dermatology and Dermatologic Surgery is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Dermatology and Dermatologic Surgery.
