

CALL FOR PAPERS

ICSSS 2022
Jun 21-22, 2022
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSSS 2022 : International Conference on Complex Social Systems and Simulation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Complex Social Systems and Simulation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Ideological systems: Political,
economic and religious systems
Systems dynamics modeling and
simulation of social systems
Sociology theories

Utopian and dystopian systems
Historic perspectives
Culture, ethics, values in
sociological systems
